## For Our Guide

To Mr. Alva Wiedeman, in recognition of the many years of faithfulness and loyalty he has evidenced in the service of Gregory High School, we fondly dedicate the 1958 GORILLA.

It has been only during this past year, when after eleven years as custodian of the grade school and supervisor of the heating plant, Mr. Wiedeman transferred to the senior high building and we can claim as our own his familiar and somehow reassuring figure.

He is kind, wise and patient . . . with a perception and understanding of youth which has endeared him to the entire student body. He has a keen sense of the ridiculous, but he has good sport and good sense to turn it on himself first and usually last.

We are proud to have known and been influenced by such a man as Mr. Wiedeman.

## Class Prophecy

It was 1968, and as I wearily sat down to watch TV for a few minutes this flashed across the screen—"This Is Your Life—Class of '58." I didn't pay much attention until I saw Lee's familiar face and realized that I was seeing my own classmates. This is what I learned:

Lee Tappe is a happily married city-farmer, who is seriously considering raising his own basketball team and cheerleader squad.

Dorothy Diekmann became an airline stewardess and now owns her own airline. For a hobby she raises quarter horses.

Don McIntyre is a weight lifter in the Barnum and Bailey Circus which is now in its winter quarters in Florida.

Joyce Tlustos is a registered nurse and has become a private-duty nurse to a very influential and wealthy business tycoon.

Dennis Sargent operates a dairy in Chamberlain and has a milk route all the way to Gregory.

Beverly Lang is head nurse in a big hospital in Timbuctoo.

LeRoy Kayl struck uranium near the city park and is now promoting a youth training program in Gregory, Rapid City and Dallas.

Peggy Kimball is the new Billboard girl on the Steve Allen Show; she also models and is currently being groomed for stardom by Twentieth Century Fox.

Vernon Likes is a politician seeking re-election to the United States Senate. In 1972 he plans to run for President on an Independent ticket.

Doris Ellwanger manages a nursery school in Lucas.

Dick Knox liked farming better than the Army, and now owns a sheep ranch at Highmore.

Joe Geaghan completed his first 10 years of paint chipping and decided to make the Navy his career.

Phylliss Kirwan is head secretary to John Rockefeller and has made her first million dollars.

Dean Keith took over his father's business and was so successful that he now has five produce stations located in Paxton, Carlock, Iona, Dixon and Gregory.

Marilyn Hutchison went to business school, came home, married Dean Keith, and now keeps the books for their five produce stations.

Darrell Jones is a noted agriculturist who owns the southern half of Tripp County.

James McMeen is Gregory's sole dentist, and together with Dennis O'Neill and Paul VandenBosch, who run an implement-repair-gas station, owns one square block of this city.

Kay Rundall is reigning as National Dairy Princess and is living on her \$5,500,000 first prize award.

Dennis Grenoble is an announcer for one of the top TV quiz programs, and a private detective on weekends.

Sally Slaughter is a math teacher in temporary retirement while she and her husband raise five children in Missouri.

Anita Clementz is a famous New York hair stylist who conducts occasional fashion clinics in Gregory.

Dick Barrett is State Senator trying to get a bill passed which would advocate price supports for turkeys.

In summing up this highly entertaining and informative program, the TV announcer stated, "The Class of 1958 has been voted by the Good Citizens' Council 'a grand success'. As I clicked off the set, I happily agreed.

Darlene Bunn and Irene Wilson both married servicemen and now live in Hawaii.

Grant Sperl is the mayor of New York City and a chef at the Waldorf Astoria in his spare time.

Nedra Lundberg is teaching English and American history in Calcutta, India.

Harold Winter discovered how to make gold from sea water and now has employed Virginia Parker as business manager to handle his many billions while he rests.

Betty Ragan runs a dress shop for redheads on Times Square.

Harlan Opperman is a prize fighter at Madison Square Garden and only recently successfully defended his heavy-weight title for the eighth time.

Betty Mcntyre is a hotel clerk in Puerto Rico.

Susan Belak is a commercial artist who does a comic strip entitled, "The Case From Outer Space."

Sharon McIntyre is married to an important airlines executive and in 1975 they plan a study trip to the moon.

Dennis Miner raises purebred Herefords in Greenland.

Ellen Olson, Norma Ulmer and Melva Smith are all happily married and live on farms in Saskatchewan, Florida and Maine respectively.

Judy Remter is a social worker and has a standing contract to play for the Inaugural Ceremonies every four years.

Elaine Sangster works in the Pentagon operating a Univac.

Dexter Stickney is a mechanic in Guatemala where he frequently visits with George Smutny, who is a plantation owner there.

Floyd Shattuck has just made his fifteenth golden record for RCA Victor and recently popped the question to Kay. They'll be married by 1970.

William Schueneman is one of the few farmers left in Gregory County. He'll put them all out of business.

John Smutny and Joe Supik have made the Army their career and are both stationed in the Coral Islands.

Harry Voelzke works in a motorcycle factory and won the National Motorcycle Race last year. Now we understand he plans to retire from this dangerous occupation and start farming.

Jan Schlaht runs the Gregory Dorm and is a night nurse at the new 1200-bed Gregory Hospital.

Nancy Weaver is married and living at the edge of Burke Lake so she will be able to teach her children to swim at a very tender age.

Judy McCance is a nurse at Lazy Springs, California. She was recently elected president of the American Nurses' Association.

Roger Beehler is now a major in the Air Force and is commander of a SAC base in Europe.

## 'A' Football

Gregory had a very successful season this year by taking the Rosebud Conference for the fourth successive year. Gibbons' charging Gorillas completed the season with seven wins and two losses. The long awaited Armistice Day game between two old rivals, Gregory and Winner, was canceled, but the Gorillas are looking forward to next year's game.

One of the biggest games was the hard fought contest between Mitchell and Gregory which was won by the Gorillas in the final moments of the game by a 6 to 0 margin. The Gregory Gorillas were also victorious over Parkston,

Burke, Chamberlain, Martin, Vermillion and Canton. They were stopped on two occasions, by Pierre and Platte.

There were eleven returning lettermen on the team. Also the mighty Gorillas placed two men on the All State "A" Team, Lee Tappe and Cal Stukel, and three on the honorable mention team, Louie Lebert, Frank Fortuna and Dick Lopour.

Next year's outlook is very favorable. The Gregory Gorillas will lose eleven seniors this year, but they have thirteen returning lettermen.

Gregory earned the right to state competition in the District II finals at which Huron and Gregory were co-champions.

This is the first year in which Gregory has qualified in all events for state tournament competition. Gary Robertson rated in original oratory; Ricky Johnson and

Nedra Lundberg participated in boys and girls extempore, respectively. Members of the tournament squad were Gary Robertson and Vernon Likes, negative, and Nedra Lundberg and Jean Stukel, both affirmative and negative.

Gregory debaters participated in meets at Sioux Falls, Huron, Vermillion and Redfield this year in addition to the division and state meets. Weather conditions prohibited our entrance in the NFL tournament in Mitchell.

## JOURNALISM

The members of the Journalism staff this year were selected from the Typing I and Typing II classes.

Brains were racked and many hours spent in room 21 producing a paper that would be interesting to the students. Striving to get stories in for the paper before the deadline was one of the many worries of the journalists in publishing the Gorilla.

When one is a member of journalism, time can never hang heavily on one's hands, for there is always work to be done. What's more, this work means being on the job all the time.

The Gorilla Growls is a member of the South Dakota School Press Association and Quill and Scroll.

## ANNUAL STAFF

Early in January, eight seniors with the aid of seven juniors and two sophomores, go to bat for the Gorilla. Before the precious book comes out in the spring, the staff, individually and collectively, feels that it's "going nuts." Finally one bright day—the book comes off the press. Was it hard to put out the Gorilla? Naw, there was nothin' to it.

# As They Danced

## PROM

Cardboard fish swam among balloon bubbles and crepe paper waves in Neptune's Court at the 1956-57 Junior-Senior Prom. The weather obligingly helped to carry out the theme of the Prom by pouring rain continually for weeks and ending with a grand finale on the night of the banquet.

Sally Slaughter and Ray Giske presented vocal solos after the banquet.

Sally Remter played the part of a mermaid in a sea shell for the centerpiece and Don Shaw's orchestra furnished enchanting music for the long awaited occasion.
